

You Get to Choose!

Colorwheel Studio will no longer offer a set schedule of after school classes.

Instead, parents can choose which workshops their kids participate in.

All you need to do is gather at least three kids, pick from the list below of favorite painting and clay classes, and decide if you want a two or three day session. Then contact Kay to work out the details.

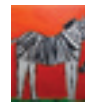

Painting classes:

Self-Portraits
 Draw and paint a portrait from the shoulders up on canvas with acrylic paint

Owls
 Draw and paint owls on canvas with acrylic paint.

African Animals
 Draw and paint a zebra and other African animals on canvas with acrylic paint.
